

Osceola Water Works is currently taking applications for a Utility Business Director position. Under the administrative direction of the Water Works Superintendent, the Utility Business Director is responsible for all financial matters of the Osceola Water Works. This position performs a variety of complex professional, administrative, technical finance, accounting and budgetary functions, while also assisting with the utility billing, payroll, and claims processing functions as needed.

Graduation from an accredited college, University or an Associate of Arts degree in a relevant field of study is required. Experience and skills may be substituted for education.

Applications are available upon request, on the Osceola Water Works website at [www.osceolawaterworks.com](http://www.osceolawaterworks.com) or by calling 641-342-1435. Salary is negotiable depending on qualifications. For consideration, submit a resume, completed application form, and references to [osceolawater2@windstream.net](mailto:osceolawater2@windstream.net) This position will remain open until filled. Osceola Water Works is an equal opportunity employer.
