

Osceola Water Works is currently taking applications for a full-time Water Maintenance Operator. The successful applicant will work primarily in the Water Distribution System, but will be required to work at the Water Treatment Plant as assigned. Interested applicants can obtain an employment application and job description by calling (641)342-1435, stopping by Osceola Water Works located at 208 West Jefferson Street or visiting www.osceolawaterworks.com and clicking on about Osceola Water Works and employment opportunities. Starting wage will be based on applicant's qualifications. Completed applications will need to be returned to Osceola Water Works. Position will remain open until filled. Osceola Water Works is an equal opportunity employer.
