

HELP US CONSERVE WATER

Due to ongoing drought conditions, the Osceola Water Works Board of Trustees has implemented

Section 3: Water Emergency

of the Osceola Water Conservation Ordinance.

Therefore, we ask that all visitors to our city do their best to help conserve water through this period.

Scan QR Code for additional information.

Suggestions to help conserve water:

**Use Bottled Water
for Consumption**

**Shorten personal showers
& bathroom times**

Avoid wasting water at all costs

QUESTIONS?
