No one was present to address the board about items not on the agenda.

Joshua Verwers was present to address the board regarding the Water bill for 603 N. Main, Osceola, IA. Mr. Verwers presented some information and asked the board to consider a complete mitigation of the Water penalty portion of the residential utility bill related to using more than the 7,000 gallon base allocation per Section 3: Water Emergency – Restrictions of the Water Conservation Ordinance. The motion died to lack of a second.

Laura Hiatt was present to address the board regarding the Water bill for 329 W. Cass, Osceola, I. Ms. Hiatt indicated her usage doubled from last month and that she did receive calls indicating that there could possibly be a leak. Ms. Hiatt stated that they did find a leaking toilet and that the leak has been fixed. She would like the board to consider a payment plan for payment of the bill. Board Member Bishop motioned to set-up a payment plan as discussed, board member Kimball seconded the motion. Motion Passed.

Ayes: Kimball, Ramos, O’Hair, Bishop, Kale.
Nays: None
Motion Passed

Superintendent Brandon Patterson introduced Randy Johnson from Veenstra & Kimm, Inc. to present the first step to file an application for an SRF Planning & Design Loan at 0% interest for a period of 3 years. The due date for filing is January 2, 2024. The application is good for 3 years and if construction is decided upon, this loan can be rolled into the costs associated with the construction loan. After discussion, board member Kimball motioned to approve completion of the SRF loan application and board member Bishop seconded the motion. Motion passed.

Ayes: Kimball, O’Hair, Ramos, Bishop, Kale

Utility Business Director Patti Snyder opened the discussion regarding an Agreement with gWorks+Frontdesk. The agreement is to convert the desktop accounting/billing software to a Cloud based system for all of the accounting modules. The license renewal for 2024 has already been paid and there is an additional amount needed to complete this conversion to the Cloud. At this time, it is probable that the desktop support will not expire for a couple years. Ms. Snyder recommended that no action be taken at this time.

Utility Business Director Patti Snyder opened the discussion regarding the Approval of a Resolution for setting the water rates with SIRWA for FY 2023-2024. As per the Contract, following the Fiscal Year End, a reconciliation is done to calculate the production rate of water and for reimbursement of 15.7% of water plant Capital Outlay for the previous fiscal year. The updated production rate of water that will be charged to SIRWA for FY 2023-2024 shall be \$3.24/1000 gallons of water. After further discussion, board member Kimball motioned to accept the water rate of \$3.24/1000 gallons and board member O’Hair seconded the motion. Motion Passed. Roll Call of the vote was:

Resolution: 2023-30

Utility Business Director Patti Snyder opened the discussion regarding Water Conservation and Customer Billing by presenting a chart comparing Water Usage from July 2022 thru Nov 2022 vs. July 2023 thru Nov 2023. Overall, water has been conserved for the period. Also presented was a chart of Monthly Raw Water relatively indicating less water for the same periods of July – November, 2022 and July – November, 2023. Ms. Snyder updated the board on lost Revenue and additional costs associated with Conservation, education, water plant evaluations, and intake modifications during the drought and the total unbudgeted reduction of cashflow.

Water Superintendent Report: Water Superintendent Brandon Patterson reported on the current West Lake water levels and the daily water withdrawal rate. Mr. Patterson reported that the Divers were able to raise the Lower Intake by 4 ft. Some water treatment challenges with hardness levels are being carefully watched. An update on the timeline for SIRWA’s treatment plant being operational was given. The goal is for SIRWA to supply as much water as they can to alleviate as much of their need as possible. Mr. Patterson informed the board that 1 of the Water Treatment Lagoons has been cleaned and the other will be cleaned in the Spring. Mr. Patterson also thanked all staff members for their hard work.

Board member Ramos exited the meeting at 8:01pm.

Board Chairperson Kale presented the consent agenda. Board member Kimball motioned and board member Bishop seconded the motion to approve the consent agenda as presented. The consent agenda included minutes from the regular board meeting held on November 9, 2023, Aging Report, YTD Revenue & Expenses, and the following Bills and Claims:
