I will be leaving for a short period of time. I understand that within 3 days of my return, I must contact Osceola Water Works in order to resume billing. I understand I will be responsible to pay \$28 per month that I am gone. Upon my return, I understand my first bill will contain a \$15 snowbird reconnect fee.

I am aware that Osceola Water Works DOES shut the water off at the curb stop/meter pit as a result of my request. I understand that it is recommended to shut the water off inside at the valve as well. Osceola Water Works will not be responsible for any damage resulting from frozen or broken pipes.
